

ANIKET VIJAY BHUDKE

EMAIL: bhudkea@gmail.com | CONTACT: +91 7249405334 | Address: Akola, Maharashtra, India

Profiles: [LinkedIn](#) | [GitHub](#) | [LeetCode](#) | [HackerRank](#) | [GeeksforGeeks](#)

TECHNICAL SKILLS

- Languages: Python, JavaScript
- Tools: Git, GitHub, AWS, VS Code
- Frameworks: FastAPI, Django
- Libraries: NumPy, Pandas, Matplotlib
- Frontend: HTML, CSS, React
- CS Fundamentals: Data Structures, REST APIs, Backend Development

EXPERIENCE

Python Backend Intern | Leadturtle Technology Services (Nov 2023 – Jan 2024)

- Worked on backend development using Python and REST APIs.
- Assisted in developing backend services for web applications.
- Used Git and GitHub for version control and collaboration.
- Gained experience in API development and backend architecture.

PROJECTS

Event Decoration System | FastAPI, HTML, CSS, JavaScript

- Built a web-based platform where users can book event decoration services.
- Implemented authentication and booking management system.
- Developed backend APIs using FastAPI.

Restaurant Management System | FastAPI, HTML, CSS, JavaScript

- Developed a QR-based digital restaurant menu system.
- Users can browse menu items online.
- Designed a responsive interface for mobile devices.

COMPETITIVE PROGRAMMING

- Active on LeetCode, HackerRank, and GeeksforGeeks.
- Practicing Data Structures and Algorithms regularly.

HACKATHON AND AWARDS

- MIT ADT Hackathon – Top 20 Finalist (1200+ teams) with project 'Mentora'.
- Cyber Shiksha for Cyber Suraksha – Quick Heal Foundation Pune; National Level Award.

CERTIFICATIONS

- Full Stack Python Developer – Naresh IT, Hyderabad
- Data Structures in Python – IBM
- Data Structures in Python – University of Michigan

EDUCATION

- Master of Computer Applications (MCA – Data Science), MIT ADT University, Pune | First Year
- Bachelor of Computer Applications (BCA), Shankarlal Khendelwal College, Akola | CGPA: 7.7 | Expected Graduation: 2025
